The undersigned, R. Tijink, Team Leader IND Industrial Inspections, Bureau Veritas Inspection and Certification The Netherlands B.V.

Herewith declares

That the above mentioned company has been granted authority and responsibility for the transfer of markings of materials as stipulated in paragraph 3.1.5 of Annex I of the Pressure Equipment Directive PED 2014/68/EU in their duty as a manufacturer of pressure equipment to maintain traceability of materials making up the components of the equipment which contribute to pressure resistance from receipt, through production, up to final test of the manufactured pressure equipment.

Validation of this authorization is justified through their approval and certified quality system according ISO 9001:2008 and Module H, according Annex III, PED.

Document of reference in QA/QC manual: Procedure PRO-730 Revision 8, 19.01.2017

This authorization is valid for materials accompanied by all type of material certificates as per EN 10204, 2004, type 2.2, 3.1 and 3.2

The validity of this authorization becomes invalid upon withdrawal or cancellation of the ISO 9001:2008 or Module H certificate and/or upon changes of the Management- and Warranty Policy of October 31st, 2006

In witness whereof the present attestation has been issued for the ends and purpose to which it was designed.

Amersfoort, 19th January 2017
